## Classic 2010 Judges

NIPPO judge: Mr. Yoshikuni Tanozaki

Mr. Yoshikuni Tanozaki, from Miyagi, Japan is an active judge and breeder for Nippo, who has been judging for about 15 years. This is his first time judging in the U.S.

Mr. Tanozaki, 46, is an office worker. His main hobby is breeding and judging dogs.

NIHONKEN HOZONKAI (NIPPO for short)

*NIPPO was established in 1928 by Dr. H. Saito to preserve the native dogs of Japan. The Shiba Inu and Akita-Ken were among the six original breeds. Since then, NIPPO has been the only governing organization for the Shiba Inu. Approximately 35,000 Shibas are registered annually in Japan, ranking the Shiba as the most popular native dog in Japan. NIPPO holds more than 100 local, regional and national shows. Their National Show last November drew an entry of approximately 800 top-ranked Shibas. NIPPO graciously provides the judge for the Shiba Classic and all points and records are maintained by NIPPO in Japan. The Colonial Shiba Club is the host organization for the Nippo Classic.*

AKC Assistant judge: Mr. Scott Wolfe

Scott Wolfe has been an enthusiast in the sport of dogs since the mid 1970s. Although he has an appreciation of many breeds, his primary focus has been in the world of Poodles. Scott is a breeder/exhibitor of over 50 champions, including notable National Specialty Variety, Group and Best in Show winners.

## History of the Colonial Shiba Club, Inc.

Founded in 1991, as a regional affiliate of the Shiba Club of America, Inc. (SCA), the Colonial Shiba Club is dedicated to the preservation of the Shiba Inu and the integrity of the NIPPO standard. The Club hosted the SCA's National Specialty Show in 1992, the first show on the East Coast to have a NIPPO judge. The next year the Club again hosted the SCA National Specialty Show with a NIPPO judge.

In 1994 the Club incorporated under Connecticut law as an independent organization whose sole purpose is to conduct the annual "Shiba Classic" show in cooperation with NIPPO. In 2010, the Colonial Club has opened the "Classic" in order that participants may learn about the other NIPPO breeds and honor their efforts to maintain and preserve the breed in the NIPPO tradition and standard. The "Classic" is held in the Eastern U.S., usually the weekend after Mother's Day. ### *How to Show a Japanese Dog*

The ring is divided into two sections. Dogs are judged in one section and bitches are judged in the other. **DO NOT LET DOGS MARK/EXERCISE IN THE RING AREA.**

**Bitches are not allowed in the ring area until they are required for individual or group judging. There will be breaks between classes and between dogs/bitches.**

The handler stands about 3-4 feet **behind** the dog, with the collar on the **lower** part of the dog's neck, pulling gently on the leash, but without strong tension, at a 45-degree angle. Showing the dog on too tight a lead will create wrinkles on the face and head and cause the ears to drop.

The dog should stand naturally firm, facing forward to address the judge boldly. Typically, the judge assumes a squatting position and makes notes during his evaluation of the dog. The judge may move around the dog. It is permissible to reposition (free stack) the dog slightly to maintain a good stance, but hand stacking is not allowed. The handler should stay behind/beside the dog, NOT in front. No baiting or double-handling is allowed.

Note: the judge will be using a translator and may have the assistant judge close by.

During the individual judging the teeth are counted and dentition noted. Misbehavior during teeth counting is not held against the dog. During the teeth check, it is permissible to pick up the dog (especially with puppies). Covering the dog's eyes during the dentition check is permissible.

Judges may move the dogs, generally in a triangle pattern. Note: this triangle is not the same as the AKC pattern. Markers will be placed on the ground to outline the pattern.

All dogs are examined on the ground. Shibas will be wicketed. (Other breeds may be wicketed.)

Show equipment. Dogs are generally shown on a thick round collar (leather or other flexible material) and a long (5-6 ft) leash. Martingale-type collars are acceptable, but full-choke collars are not suggested.

Grooming. Dogs should be clean and brushed. NO gels, sprays, chalk allowed. The NIPPO judge may use a dark colored towel, water spray and/or paper towel to check for foreign substances in the coat.

During class judging, please maintain 4-5 foot distance between dogs. This is a new show environment for many participants. Do not hesitate to increase distance between your dog and others, if your dog is stressed. It is not unusual for adolescent males to display dominance and 'talk trash' during class judging. Such displays are not penalized, however exhibitors should exercise appropriate control.

NIPPO judges typically wear large baseball caps. In class judging, when the judge makes his selection, he will generally indicate that selection by removing the cap and gesturing with it in the direction of his selected dog. During class judging, the judge may make a 'cut' and excuse dogs not required, or rearrange dogs to better compare them.
